**VISCOL WIRE ROPE SPRAY 30, 200, 200T****Description & Characteristics**

Viscol Wire Rope Spray Oils are specially formulated adhesive lubricants for the maintenance of wire ropes. They contain anti-wear, anti-rust, mild extreme pressure additives and deep penetrating wet ability agents.

**Performance Benefits**

The additive treatment in Viscol Wire Rope Spray oils protects the rope against water wash off and penetrates deep into the rope guarding against corrosion. The corrosion protection is excellent.

**Application**

Viscol Wire Rope Spray oil contains a solvent and is applied by spray leaving behind a durable film of corrosion protection once most of the solvent has evaporated. It is applied at ambient temperature on clean rope surfaces such as hoist, guide, head and tail ropes and the like.

**Typical Physical Properties**
